about our coffee

From the Chiapas region of Mexico, our coffee is considered amongst the finest grown in Mexico. This coffee is produced by Finca Triunfo Verde Sociedad Civil, a fair-trade and organic certified coop located within the buffer zone of El Triunfo Biosphere Reserve. This coop was founded in 2001, and contains 262 members. Located in the highlands of the Sierra Madre de Chiapas, El Triunfo Biosphere Reserve is one of the world's most diverse forest reserves. This reserve contains Mesoamerica's largest continuous cloud forest, and it serves as a refuge to thousands of plant and animal species. El Triunfo is a rare and valuable sanctuary requiring continued protection.
